WHY COUNCILFORGE?

Council work becomes difficult to track when tasks, files, concerns, and decisions are scattered across separate channels.

01 SYSTEM AGENDA

01 **Transparent operations**
Clear task, budget, document, and activity records.

02 **Timely student response**
Structured channels for concerns, updates, and events.

03 **Responsible governance**
Role-aware access and audit visibility.

02 OBJECTIVES AND SDG ALIGNMENT

01 ORGANIZE
Council work, events, budgets, documents, and voting.

02 PARTICIPATE
Students receive visible updates and protected concern intake.

03 OVERSEE
Administrators verify accounts and audit access.

SDG 4	Quality Education
SDG 9	Innovation & Infrastructure
SDG 16	Strong Institutions

03 CORE SYSTEM FUNCTIONS

■ **Task Boards**
Assign, monitor, and review work.

■ **Events**
Publish activities and track joins.

! **Concerns**
Receive and resolve student issues.

◆ **Voting**
Run organized student decisions.

■ **Budget**
Track allocations and balances.

■ **Documents**
Keep council files accessible.

04 SYSTEM BLUEPRINT

SYSTEM ARCHITECTURE

Users	Students, officers, OSA/Admin
↓ Platform	Role-aware modules
↓ Services	Authentication and workflows
↓ Records	Accounts and audit logs

RBAC AND SECURITY FLOW

1 Sign in › 2 Verify › 3 Role check › 4 Allow

Permissions limit users to their allowed scope.
Separate administrator access and audited identity handling protect sensitive actions.

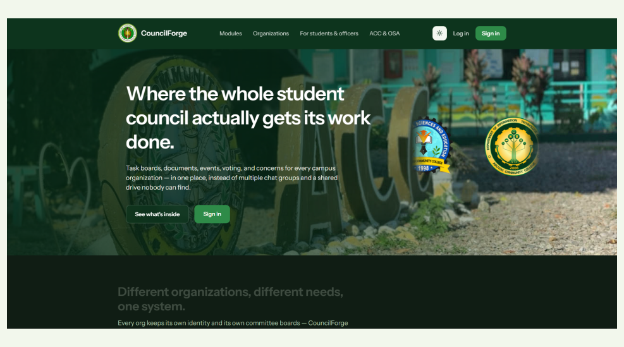
05 DEVELOPMENT METHOD AND USER ROLES

1 Discover › 2 Design › 3 Build › 4 Test › 5 Refine

USER ROLES

● **Student**	Submit concerns, join events, view announcements.
● **Officer**	Manage tasks, members, budgets, and activities.
● **President**	Coordinate organization-wide council operations.
● **Administrator**	Verify accounts, oversee records, and audit access.

06 SYSTEM SCREENSHOTS

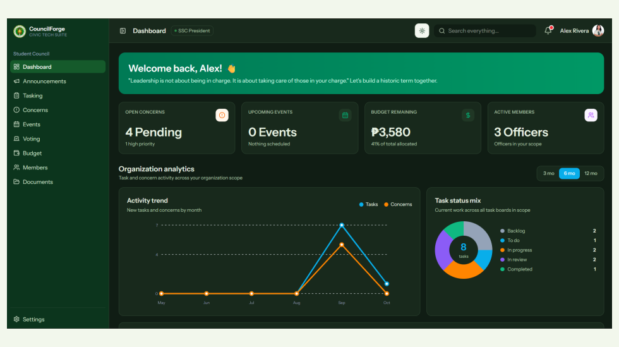


Where the whole student council actually gets its work done.

Task boards, documents, events, voting, and concerns for every campus organization — in one place, instead of multiple chat groups and a shared drive nobody can find.

Different organizations, different needs, one system.

Every org keeps its own identity and its own committee boards — CouncilForge



Welcome back, Alex! 👋

"Leadership is not about being in charge. It is about taking care of those in your charge." Let's build a historic term together.
